OVERVIEW

The tall windows throughout Blush give a light and airy feeling, as well as the impression of being on a larger yacht. This yacht also features a sky lounge and upper sundeck which provides guests with unparalleled views. Blush can sleep up to 10 guests in 5 rooms, including a full beam master suite with a private balcony.

HIGHLIGHTS

Calming atmosphere

Blush's interior design effortlessly ties together various tones, including pastel green, sanded light oak wood, and aquamarine and silver. However, the inclusion of more masculine elements, such as ice and granite detailing, gives the interior a bold feel.

Spacious accommodation

Blush provides guests with a generous amount of space, allowing them to relax in luxury both inside and on the decks.

Sleek design

Blush has a sleek and simple design with cues from Scandinavia and California.

"Blush has an inherent connection to the sea and is therefore perfect for enjoying all of the pleasures of the yachting experience." - Luc Khaldoun
